— Selena Dragon & Julian —

HOSE HER DOWN!

How can a red-blooded young guy with a freight-train libido soul kiss a super-hot babe like Selena and rub her juicy little pussy at the same time without putting painful pressure on his cock, which is straining to burst loose from inside his drawers? Especially when Selena's massaging the bulge in his trousers.

Julian often brags about the awesome power of his penis, but there are limits to how much it can push against the cotton fabric. There's only one thing he can do is unzip his trousers and let it spring—and swing—free. Otherwise, serious harm could come to Julian and his future progeny. That's exactly the kind of gut-busting, skivvies-ripping damage a seductive girl like Selena inflicts on guys on a daily basis. She's a danger to any man wearing tight pants. Someone needs to hose her down.

Once Julian's cock is free from its confinement, he's got another problem to deal with. Selena won't leave it alone. He wants to kiss her and taste her pussy and slide his fingers up her asshole, but she desperately wants to wrap her fingers around his rock-hard prick and stroke it and lick it and suck on it. She even wants to slurp on his balls. Julian's not against her doing all this, of course, but he likes to take it real slow and let it build. He enjoys the seduction. He loves the way his nuts get so blue and swollen that when it's time for him to come, he explodes like a firebomb. But Selena, with her busy hands and volcanic mouth, seems intent on making him squirt too soon. Julian can't stop thinking: "Somebody needs to hose this girl down."

Julian's an experienced stud, but one thing he can't handle for long is a pretty woman whose voluptuous body is scorching to the touch, and who desperately wants to feel his cock down her throat and then as far up her hot snatch as he can slide it. The only words that form in Julian's fevered mind are, "Somebody should hose this girl down."

Finally, he pushes Selena's legs into the air and pushes the head of his engorged prick against her beefy pussy lips. The minute he shoves inside her, he can feel the heat engulf him like a blast of furnace-hot air. Her vagina is so wet and slick that Julian's all the way inside her before he realizes it. He tries to withdraw with one solid backstroke, but Selena's fiery depths feel too good for him to let go. Knowing he won't be able to hold off for long, all he can do now is pump harder and faster, to make his explosion a supernova. And when he starts to spurt—you guessed it—Julian pulls out and hoses her down!

HOT IN THE SHADE!

— Shawna & Tony —

AFTERNOON DELIGHT

She's cute, she's cuddly, and nothing turns her on like an intimate picnic under a shade tree. Who knows, maybe it brings back memories of summer camps and first loves. But one thing's for sure, if you want Shawna, all it takes is some sandwiches, some nuts or chips, and some cold drinks in a secluded, leafy back yard. It can't hurt to have a little radio playing nearby, too. All you have to do is set the scene, and Shawna will take it from there.

Tony's Los Angeles apartment isn't anything special, but it's got a small patio surrounded by a fence, a tree and tall vegetation that make it seem like being out in the country. There's always a little breeze even during the summer. Tony knows from experience that a little picnic there can have a great relaxing effect on girls, but Shawna is turned on. Who could have predicted that a jaded porn neophyte loves such simple, down-home things as picnics in the park? Tony didn't even have to bring any hot dogs, because Shawna is interested only in the one inside his pants—though, oops, it doesn't stay inside for long.

Maybe it's the innocence of the moment that frees Shawna's spirit and opens her up to pure inner pleasure. After all, this is a girl who lives in a plastic, brightly fluorescent world of strip clubs, nightclubs, film sets and sexual pretense. She fucks hired guns in movies like *I Love Shawna* and *My Daughter's Fucking Blackzilla #16*. For a girl like her, picnics in the back yard are supposed to be corny. But let's face it, even hardcore chicks have memories of early crushes and happy church socials stashed somewhere deep in their cold, cold hearts. All you have to do is recreate those old moments for her. Make her forget the falseness of today and recapture the pure, true-hearted bliss of yesterday, when the world was sweet and she still had candy-coated dreams. Sometimes all it takes is a back yard.

— Hollie Stevens & Matt —

HOT FUCKIN' FANTASY!

Matt still can't believe that one of his favorite adult actresses, Hollie Stevens, actually moved into the apartment next door to him. But what really blows his mind is that this superstar, who he just saw last week in Wicked Pictures' *Love Thy Neighbor*, deigned to let him take her to dinner at a posh restaurant in Beverly Hills. In person the blonde star of Bad Seed's *Baby Face #2* looks younger than he imagined, and her ass is even more perfect than he could have dreamed. Matt, a true skin tick aficionado, has spent the evening on cloud nine. And now, when he takes her home, he realizes that his fantasy date has only begun.

It never dawned on Matt before tonight that a goddess like Hollie would even breathe the same air as a working-class porn geek like him, much less go out with him. Surely there's no way he could ever get to first base with the esteemed star of a ton of filthy films. Matt has religiously watched them all, whacking off to the platinum fantasy girl on the blue screen countless times. But now she's right there with him in the flesh—her beauty, her perfume, and her body warmth filling his senses. She's gazing at him. There's a catch in his throat as he tells her, "Wow, Hollie, I'm really standing here with you." She smiles. "Well," the star answers. "Why are we standing? Let me get down on my knees."

Making love to Hollie is so far beyond Matt's imagination that he wonders if maybe he fell asleep watching one of her movies and is now in a glorious wet dream. After all, he's seen her naked body many times and watched the expert way she savors a cock with her tongue before wrapping her lips around it. He knows from repeated viewings of her hardcore happenings that she's got the sweetest shaved snatch in porndom. The only thing left for him to experience is whether the sexual fervor she offers in her performances is the real thing. As he slides his cock in and out of Hollie's steaming slit, he whispers, "Pinch me, I still don't believe I'm here." Instead of pinching him, Hollie slides a finger up his ass as she murmurs, "You'll know in a moment if this is just a wet dream or an even wetter reality, baby!"

Suzan doesn't waste any time pulling their pants down and wrapping her fingers hard around both cocks. Our photographer hurriedly fumbles for his trusty camera!

**CARNAL
CAMERA**

When auburn-haired Euro-slut Suzan, star of *Swank XXX #7* and *Swank XXX #10* recently arrived in Los Angeles to attend an X-rated awards ceremony, her agent called our intrepid roving photographer. "Could you set up my client with a couple of good-looking young escorts to take her to the show, and make sure you get some great publicity shots for the magazine? This isn't for sex, because she's got a boyfriend back home. She just wants publicity while she's here." But when our lensman shows up at Suzan's hotel with two studs in tow, she's only half-dressed and in no hurry to get to the show. She licks her lips as she rubs both guys' crotches. "I thought you didn't want sex because of your boyfriend," our photographer reminds her. "Yes, that's true," Suzan answers. "No sex. I just want to suck their cocks!"

As the Euroslut explains later, the long flight to Los Angeles has made her so damn horny that she's ravenous for a mouthful of stiff, hot meat. Yes, she wants to be true to her boyfriend, but sucking cocks isn't really sex, right? As long as she only uses her mouth, she says, she can get down on her knees and suck all the cock she wants—and she definitely wants plenty!

Our photographer checks his watch. Suzan needs to get dressed. They're going to be late. But Suzan doesn't give a rat's ass about the awards show!

As our photographer keeps clicking away, he's hoping that both guys finish soon. He knows he'll get blamed if she shows up late for her big entrance at the awards ceremony. But no matter how hard and how enthusiastically she sucks on both cocks, the guys won't ejaculate. Even when she fingers their assholes as she deep-throats first one cock and then the other, they won't squirt in her mouth. Finally our boy tells them, "Let's wrap this up, folks, we're all going to be late." Suzan finally decides that she better use all of her talents to make these guys cum. After all, they're all professionals. Using the tricks required of all porn performers, they get down to the real down and dirty stuff, and before you can say "dropping loads," they're shooting off like fire hoses. First, one guy explosively empties his balls into her mouth. Then, just as she frantically struggles to cram the other escort's cock into her mouth, he unloads everything he's got. His eyes gleefully roll back into her head as she swallows every drop of it. No doubt about it, this is one girl who loves to suck and fuck cock!

Using the tricks required of all porn performers, they get down to the real down and dirty stuff, and before you can say "dropping loads," they're shooting off like fire hoses.

How do you get a girl to agree to let you take pictures of her while she's having sex? Dominic claims he's writing a how-to book on the subject that will not only get you laid, but also tell you how to convince any girl to let you photograph the event for posterity. Of course, it helps if (1) you look like Dominic, and (2) you know a roving photographer like ours who's willing to shoot the action for a small fee. Dominic's first piece of advice: "Poke holes in her self-esteem at every opportunity. Never tell her she's beautiful. Subtly put doubts in her mind. For example, tell her she's not bad looking for a girl in her mid-twenties—which really works if she's only twenty-one. And always remember that the prettier she is, the more insecure she's likely to be, because she's addicted to men telling her how beautiful she is. If you treat her like she's nothing, she'll wonder what's wrong with her."

Using his method, Dominic told Maya she's not pretty enough to be photographed naked. So now she's going to prove him wrong!

Dominic has conned our photographer, too, by convincing him that when Maya gets a mouthful of cum, she goes crazy and wants more. "She'll want to suck your cock after she's done with me, and believe me, she's great," Dominic promised. So now the stage is set, Maya is ready for her big X-rated close-up, and our shutterbug is on hand with all of his gear to shoot it. As Dominic warms up Maya with his tongue and fingers, he keeps murmuring little things to prod her, like "My photographer knows little tricks that'll make you look really hot."

Gradually Maya relaxes and lets Dominic's oral techniques remove the last of her inhibitions. She forgets that our photographer is there!

Once Dominic has completely turned her on, Maya's willing to do anything. She wants to lick his balls and suck his cock. She wants to grind on his cock while he reaches around and slides his finger into her asshole. She's ready to fuck him as long as he can keep himself from shooting his wad. As our photographer later tells us, "I could feel the heat coming off Maya's body from several feet away. Her eyes were glazed. She'd totally forgotten that I was in the room with them." But her obliviousness to him ends as soon as Dominic shoots several wads of cum down her throat.

As Dominic promised, Maya isn't content with just one mouthful of cock and cum. She wants more. Sorry, we don't have more pictures!

XXX Reality

Text By
Ron
Jeremy

Hey! Great to be back! Great to be able to "talk" to all my SWANK-aholics out there this month! And for sure, it's great to be alive and always trying to get laid—right? Right! Okay, enough bullshit—wait, just a little bit more actually! I was over at my local porno newsstand a couple of days ago here near my home in Hollywood, and browsing through all the XXX mag competition. As a SWANK bigwig I always have to keep track of what is going on with other adult publications—and I am now here to tell you, what's going on is....absolutely nothing! No shit! Before the newsstand owner threw me out for not buying anything—I wouldn't waste my money!—I must have gone through a dozen of the so-called other "big porn" magazines out there, and all I can say is, SWANK rules!

The shit other X-mags try to pass off as hot new starlets, exclusive sex stories, and hardcore pictures is just so athletic, I had to laugh! I won't name any names, but believe me dudes, you are getting such a deal with SWANK, such high-quality smut every month compared to what else is out there, oh man, forget about it! Got it? Good! Now on to this month's column!

What do I want to rant and rave about this time? Swinging! No, not the jazz music kind, the wife-swapping kind you putz's! Yeah, remember wife-swapping?

That's what it used to be called back in the "Bob And Carol And Ted And Alice" movie days." Wow! Now I am really dating myself! And talk about a "cheap date too!" Ha ha! Seriously though, I have been playing in the North American swinging community now for like thirty years, going to swingers parties, events, conventions and stuff like that. And while some aspects of the swinging lifestyle have evolved over time, basically it's about couples who like to have sexual

experiences outside their main relationship—together, separately, in groups, whatever—and it's called "swinging." Over the internet, through various organizations, mailings, and informally through friends, tens of thousands of couples—married and otherwise "together"—are hooking up with other like-minded sex-driven twosomes for X-rated fun, while always returning to their primary partners afterwards. I have always liked swingers because of their sexual open-mindedness, and liberal attitudes—and also because they always invite me to their shindigs where the sex is wild—and the food ain't bad either!

I go to a few swing things a year for fun, and I just got back from one not long ago, that was so cool, and so hot at the same

'I was making out with, like, a dozen girls at once—no shit—while their husbands and boyfriends cheered them on!'

time, I really wanted to tell you about it. This is actually a pretty new swing concept that has been put together by a local New York City swinger group. While some porn stars do take part in swinging, basically porners and swingers are two different animals—porn people are obviously very public about their sucking and fucking, while swingers, who can be anyone from your basic "respectable" doctors, lawyers, politicians and the like, tend to private, and like to get it on without the cameras around. But what this group has done, really for the first time in an organized way, is put porners together with swingers, and throw parties that feature adult performers as hardcore hosts! Which is what I was doing in New York, hosting at this great club, with over 400 people, all hanging out and looking to get laid! Yeah baby!

And did I have a hell of a good time! Like I said, swingers are very sexually relaxed, so as soon as I walked into the

bar, I was making out with like a dozen girls at once—no shit—while their husbands and boyfriends cheered them on! Now, this was what's known as an "off-premises" swing event, meaning you can't get laid right there, but rather meet others and then take off to get off ("on-premises" parties have rooms and stuff where you can fuck)—but there was an excellent hotel nearby standing by with cheap rooms, so no one had to nurse a hard-on for very long. But dudes, there was so much making out, flashed pussy and tits, and semi-dry humping going on all around the place, believe me,, it was still like being in the middle of a suburban orgy! And all kinds of couples too—young, old, middle-aged, dressed like sluts, dressed conservatively, total-

Ron Does The "Swing" Thing!

'Nothing Gets Me Hotter Than XXX Swinging With My Friends And Fans!'

Photos by Marc Medoff/Adult Press

ly drunk and totally straight, but they all had one thing in common—everyone was there for the same purpose, to have a gas, and get laid! The evening lasted like eight hours until the early morning, with dirty dancing, a raffle drawing, tasty food and a full bar of booze—in fact it was so much fun, some of the couples who wanted to leave to fuck other couples, couldn't decide whether to stay or go—and some left and came back again after their orgasms! As the host I remained all night of course, meeting lots of new friends, kissing all the girls, chomping down on the complimentary chicken wings and egg rolls and disappearing in a broom closet now and then, for a little, er, ah, um, special relaxation shall we call it? And then when the party finally ended and a bunch of us went back to the hotel together, man, I wanted to bang, but I was so tired from all that foreplay, I just fell flat on my face and went to sleep!

Everyone else though did have a scorching screw-fest—but hey, I fuck for a living, and a guy has to sleep now and then you know—even yours truly!

While swingers are mostly about sex, and not publicity,

having a XXX celebrity does add glitz to their parties, and draws in a newer, fresher, and hornier crowd that might not otherwise show up. But remember guys, these are "couples only" affairs, and that's not a couple of dudes! It's gotta be a male and female couple or they won't let you in—but that keeps the cock-to-pussy ratio at an even 50-50, so you know you are going to score one way or another!

So that's the story this month my fellow SWANK-zoids out there in X-loving land. I had a wonderful time swinging in NYC, and I wanted to let you know all about it, and share with you some of pictures from the gash-bash. Next month?

Who knows what I will be up to, but trust me, whatever it is, you will be the first to know, because remember, I write for SWANK and SWANK only, so this is the place to be every thirty days, and if you ain't here, all I can say is, you're a moron! See you next month! ☐

FAQ About Xomax

- Q.** How soon do you see results?
- A.** Most men see results with their first dose and increasing results over 60 - 90 days.
- Q.** Are the results permanent?
- A.** For most men, if Xomax is taken continuously for three to four months followed by a maintenance program the results are permanent.
- Q.** How much growth can I realistically expect?
- A.** Up to 5 inches or more with a increase in width of 50%
- Q.** Is Xomax natural?
- A.** Xomax is 100% natural, safe and Doctor recommended for those looking for advanced penis enhancement, plus Xomax has no side effects.
- Q.** What makes Xomax the #1 natural penis enhancement formula?
- A.** Xomax has a highly effective proprietary blend of concentrated nutrients. These natural compounds are amazingly stimulating to the male penis. You won't find a stronger blend of nutrients in any other male enhancement product. The reason? Xomax contains extremely expensive imported ingredients and many manufacturers won't spend that kind of money. Instead, they pass off less expensive ingredients, such as Ginseng or low end forms of L-Arginine.
- Q.** Is Xomax guaranteed to work?
- A.** Xomax is 100% GUARANTEED! If you're not completely satisfied, return the bottle(s) within three months to receive a refund. Men now have an effective way to increase the size of their penis. Why pay for imitations that will not solve the problem? You may spend a little more on Xomax, but the results will be worth it! You often get what you pay for. So remember that the genuine ingredients in Xomax are GUARANTEED to work! Order today - the best money can buy!
